

**Ministry of Health of Ukraine (needs for humanitarian aid as of May 2024)**

№	Name	Quantity	Point of arrival of humanitarian cargo <i>(if information is available)</i>	Final recipient of humanitarian cargo (e.g. military-civilian administrations) <i>(if information is available)</i>
1	<b>Medicines (Ліки)</b>			
	Means for parenteral nutrition, solution of amino acids bottles	15 000	To be agreed upon separately	To be agreed upon separately
	Alteplase	2 000	To be agreed upon separately	To be agreed upon separately
	Albumin	20 000	To be agreed upon separately	To be agreed upon separately
	Colomycin	10 000	To be agreed upon separately	To be agreed upon separately
	Ceftazidim/tazobactam	10 000	To be agreed upon separately	To be agreed upon separately
	Tihacil	10 000	To be agreed upon separately	To be agreed upon separately
	Cefazolin	5 000	To be agreed upon separately	To be agreed upon separately
	Fosfomycin	5 000	To be agreed upon separately	To be agreed upon separately
	Dopamine ampoules	14 000	To be agreed upon separately	To be agreed upon separately
	Norepinephrine (Noradrenaline tartrate) ampoules	3 000	To be agreed upon separately	To be agreed upon separately
	Hemostatic (oxidized cellulose)	3 000	To be agreed upon separately	To be agreed upon separately
	<b>Cancer drugs (Ліки проти раку)</b>		To be agreed upon separately	To be agreed upon separately
	Calcium folinate, 100 mg	74 200	To be agreed upon separately	To be agreed upon separately
	Calcium folinate, 50 mg	104 000	To be agreed upon separately	To be agreed upon separately
	Calcium folinate, 30 mg	20 600	To be agreed upon separately	To be agreed upon separately
	Rituximab 500 mg	14 298	To be agreed upon separately	To be agreed upon separately
	Rituximab 100 mg	21 327	To be agreed upon separately	To be agreed upon separately
	Daunorubicin, 20 mg	2 262	To be agreed upon separately	To be agreed upon separately
	Bortezomib, 1 mg	6 818	To be agreed upon separately	To be agreed upon separately
	Everolimus, 2.5 mg	12 600	To be agreed upon separately	To be agreed upon separately
	Cisplatin, 50 mg	32 726	To be agreed upon separately	To be agreed upon separately

Abiraterone, 250 mg	863 040	To be agreed upon separately	To be agreed upon separately
Cisplatin, 100 mg	26 970	To be agreed upon separately	To be agreed upon separately
Anagrelide, 0.5 mg	83 800	To be agreed upon separately	To be agreed upon separately
Hydroxycarbamide, 500 mg	377 000	To be agreed upon separately	To be agreed upon separately
Vinblastine, 10 mg	4 106	To be agreed upon separately	To be agreed upon separately
<b>Medical devices and consumables for traumatology centers (Медичні пристрої та витратні матеріали для травматологічних центрів)</b>		To be agreed upon separately	To be agreed upon separately
Plates for humerus osteosynthesis	500	To be agreed upon separately	To be agreed upon separately
Plates for clavicle and scapula osteosynthesis	300	To be agreed upon separately	To be agreed upon separately
Plates for forearm and shoulder osteosynthesis	800	To be agreed upon separately	To be agreed upon separately
Plates for forearm and hand osteosynthesis	500	To be agreed upon separately	To be agreed upon separately
Plates for femoral osteosynthesis	500	To be agreed upon separately	To be agreed upon separately
Plates for tibia osteosynthesis	800	To be agreed upon separately	To be agreed upon separately
Plates for the ankle-foot joint osteosynthesis	300	To be agreed upon separately	To be agreed upon separately
Plates for heel, tarsal, and foot osteosynthesis	300	To be agreed upon separately	To be agreed upon separately
Kirchner wire	3 000	To be agreed upon separately	To be agreed upon separately
Intramedullary nails for femoral osteosynthesis	500	To be agreed upon separately	To be agreed upon separately
Intramedullary nails for tibial osteosynthesis with polyaxial fixation	500	To be agreed upon separately	To be agreed upon separately
PFNA nail	250	To be agreed upon separately	To be agreed upon separately
Intramedullary nail for humerus	200	To be agreed upon separately	To be agreed upon separately

Retrograde locking femoral nails with two threaded anti-migration holes in the distal part and 1 in the proximal part	500	To be agreed upon separately	To be agreed upon separately
Endoprosthesis of the hip joint with a cement type of fixation	500	To be agreed upon separately	To be agreed upon separately
Endoprosthesis of the hip joint with a cementless type of fixation	2 000	To be agreed upon separately	To be agreed upon separately
Endoprosthesis of the knee joint	1 000	To be agreed upon separately	To be agreed upon separately
Endoprosthesis of the shoulder joint is anatomical	500	To be agreed upon separately	To be agreed upon separately
Wire tire (ladder) of different sizes, number of units	3 500	To be agreed upon separately	To be agreed upon separately
Traction tire number of units	1 400	To be agreed upon separately	To be agreed upon separately
External fixation device quantity of units	5 000	To be agreed upon separately	To be agreed upon separately
UTN (universal tibial nail)	1 400	To be agreed upon separately	To be agreed upon separately
UFN (universal femoral nail right and left)	1 400	To be agreed upon separately	To be agreed upon separately
Retrograde UFN	1 400	To be agreed upon separately	To be agreed upon separately
PFNA (proximal femoral nail antirotation) short and long size	1 400	To be agreed upon separately	To be agreed upon separately
LCP 4.5/5.0 mm system with combination holes	800	To be agreed upon separately	To be agreed upon separately
LCP 3.5 mm system with combination holes	1 200	To be agreed upon separately	To be agreed upon separately
1/3 type plate with combination holes	1 000	To be agreed upon separately	To be agreed upon separately
Mini plates 2.0/1.5 mm system	400	To be agreed upon separately	To be agreed upon separately
Medial distal tibia plate right/left	800	To be agreed upon separately	To be agreed upon separately
Proximal tibia plate right/left medial/lateral	600	To be agreed upon separately	To be agreed upon separately

Distal radius volar plate	700	To be agreed upon separately	To be agreed upon separately
Distal humeral lateral/medial plate right/left	800	To be agreed upon separately	To be agreed upon separately
PHILOS short and long size	1 400	To be agreed upon separately	To be agreed upon separately
Calcaneus plate right/left different size	400	To be agreed upon separately	To be agreed upon separately
3.5 cortical and locking screws (LHS)	28 000	To be agreed upon separately	To be agreed upon separately
4.5 cortical screws	18 000	To be agreed upon separately	To be agreed upon separately
5.0 locking screws LHS	21 000	To be agreed upon separately	To be agreed upon separately
3.5 Schanz screw	1 000	To be agreed upon separately	To be agreed upon separately
4.0 Schanz screw	1 000	To be agreed upon separately	To be agreed upon separately
5.0 Schanz screw	1 000	To be agreed upon separately	To be agreed upon separately
6.0 Schanz screw	1 000	To be agreed upon separately	To be agreed upon separately
Bone graft / bone substitutes	3 000	To be agreed upon separately	To be agreed upon separately
Consumables for vacuum therapy devices	5 000	To be agreed upon separately	To be agreed upon separately
Medical electric saw	10	To be agreed upon separately	To be agreed upon separately
A set of medical drills	20	To be agreed upon separately	To be agreed upon separately
<b>Equipment (Обладнання)</b>		To be agreed upon separately	To be agreed upon separately
Bronchoscope	50	To be agreed upon separately	To be agreed upon separately
Anesthesiological apparatus	100	To be agreed upon separately	To be agreed upon separately
C-arm (C-arch x-ray machine)	30	To be agreed upon separately	To be agreed upon separately
The operating table, x-ray transparent	70	To be agreed upon separately	To be agreed upon separately
Laparoscopy tower with a set of tools	50	To be agreed upon separately	To be agreed upon separately
Ultrasound device with 2 sensors (convex and linear)	200	To be agreed upon separately	To be agreed upon separately
Electric blanket	700	To be agreed upon separately	To be agreed upon separately
Bedside patient monitors for intensive monitoring	125	To be agreed upon separately	To be agreed upon separately
<b>Tactical medicine and dual-use goods (Тактична медицина та товари подвійного використання)</b>		To be agreed upon separately	To be agreed upon separately

Completed tactical first aid kit	60 000	To be agreed upon separately	To be agreed upon separately
Helmets	1 000	To be agreed upon separately	To be agreed upon separately
Tourniquet “CAT” type	320 000	To be agreed upon separately	To be agreed upon separately
Tourniquet “SOF Tourniquet ” type	20 000	To be agreed upon separately	To be agreed upon separately
Freeze-dried (lyophilized) plasma AB(IV)	56 000	To be agreed upon separately	To be agreed upon separately
Dried Monoclonal Antibodies for ABO and RH blood typing “EldonCard”	36 000	To be agreed upon separately	To be agreed upon separately
Junctional tourniquet	1 050	To be agreed upon separately	To be agreed upon separately
Abdominal aortic and junctional tourniquet	550	To be agreed upon separately	To be agreed upon separately
Wound Closure Device	1 400	To be agreed upon separately	To be agreed upon separately
Hemostatic applicator, 12 mm	1 300	To be agreed upon separately	To be agreed upon separately
Hemostatic applicator, 30 mm	600	To be agreed upon separately	To be agreed upon separately
Hemostatic gauze	100 000	To be agreed upon separately	To be agreed upon separately
Emergency trauma dressing	10 000	To be agreed upon separately	To be agreed upon separately
REBOA	203	To be agreed upon separately	To be agreed upon separately
Nasopharyngeal airway	12 000	To be agreed upon separately	To be agreed upon separately
Supraglottic airway, size 5	650	To be agreed upon separately	To be agreed upon separately
Supraglottic airway, size 4	1 450	To be agreed upon separately	To be agreed upon separately
Pocket bag valve mask	700	To be agreed upon separately	To be agreed upon separately
Emergency cricothyrotomy kit	400	To be agreed upon separately	To be agreed upon separately
Decompression needle	10 600	To be agreed upon separately	To be agreed upon separately
Vented chest seal	355 000	To be agreed upon separately	To be agreed upon separately
Pelvic sling	1 100	To be agreed upon separately	To be agreed upon separately
Traction splint	300	To be agreed upon separately	To be agreed upon separately
Panel heated blanket	20 900	To be agreed upon separately	To be agreed upon separately
Rescue stretcher “SKEDCO” type	1 300	To be agreed upon separately	To be agreed upon separately
Infusion heater	345	To be agreed upon separately	To be agreed upon separately

Infusion heater consumers	2 700	To be agreed upon separately	To be agreed upon separately
Thermal blood boxes for 5 - 10 doses	100	To be agreed upon separately	To be agreed upon separately
Thermal blood boxes for 20 - 25 doses	30	To be agreed upon separately	To be agreed upon separately
Portable blood refrigerators "DELTA" type	130	To be agreed upon separately	To be agreed upon separately
"NAR Hypothermia prevention and management kit" type	3 000	To be agreed upon separately	To be agreed upon separately
"Ready Heat II Blanket" type	3 000	To be agreed upon separately	To be agreed upon separately
<b>Means of personal protection and treatment (Засоби особистого захисту та лікування)</b>		To be agreed upon separately	To be agreed upon separately
Aqua bactericidal tablets for drinking water	100 000	To be agreed upon separately	To be agreed upon separately
Canisters C2A1 or CF50 for the piece gas filter	50 000	To be agreed upon separately	To be agreed upon separately
PCR and ELISA test system for detection of pathogens, various infectious diseases (the list of pathogens and types of analyzes will be provided separately), kit	TBD	To be agreed upon separately	To be agreed upon separately
Gas mask - M53A1, number of units	25 000	To be agreed upon separately	To be agreed upon separately
<b>Laboratory equipment (Лабораторне обладнання)</b>		To be agreed upon separately	To be agreed upon separately
Gas analyzer for rapid analysis of atmospheric air (formaldehyde, phenol, nitrogen dioxide, nitrogen oxide, sulfur dioxide, ammonia, chlorine, carbon monoxide, carbon dioxide, oxygen, ozone, methanol, benzene) pieces	48	To be agreed upon separately	To be agreed upon separately
Detector AP4C Proengin pieces	48	To be agreed upon separately	To be agreed upon separately
Individual (personal) direct-indicating	4 000	To be agreed upon separately	To be agreed upon separately

Mercury piece analyzer	24	To be agreed upon separately	To be agreed upon separately
Mass spectrometric detector of the piece	24	To be agreed upon separately	To be agreed upon separately
<b>Laboratory consumables (Лабораторні витратні матеріали)</b>		To be agreed upon separately	To be agreed upon separately
Test kit Enterolert DW kit	15 000	To be agreed upon separately	To be agreed upon separately
Test kit Enterolert E kit	15 000	To be agreed upon separately	To be agreed upon separately
Test set Colilert-18 kit	15 000	To be agreed upon separately	To be agreed upon separately
Test kit for legionella Legionellalert kit	5 000	To be agreed upon separately	To be agreed upon separately
Cholera agglutinating serum O1, ampoules	120	To be agreed upon separately	To be agreed upon separately
Cholera agglutinating serum O139, ampoules	120	To be agreed upon separately	To be agreed upon separately
Cholera agglutinating serum Ogawa, ampoules	90	To be agreed upon separately	To be agreed upon separately
Cholera agglutinating serum Inaba, ampoules	90	To be agreed upon separately	To be agreed upon separately
Rapid diagnostic tests for cholera detection	20 000	To be agreed upon separately	To be agreed upon separately
PCR system for detection of genes of Clostridium botulinum with genes of toxins A, B, C, E, F.	50	To be agreed upon separately	To be agreed upon separately
A set of serums for diagnostic botulinum types A, B, C, E, F for the reaction of biological neutralization	125	To be agreed upon separately	To be agreed upon separately
PCR test system for the detection of anthrax	26	To be agreed upon separately	To be agreed upon separately
PCR test system for the determination of rabies in blood serum	26	To be agreed upon separately	To be agreed upon separately
PCR test system for diagnosis of cholera O1/0139/tox gene	30	To be agreed upon separately	To be agreed upon separately

SARS-Cov-2/FLU A/FLU B multiplex rapid tests	4 000 000	To be agreed upon separately	To be agreed upon separately
Rapid tests for the detection of hepatitis A	20 000	To be agreed upon separately	To be agreed upon separately
Multiplex PCR tests for SARS-Cov-2/FLU A/FLU B	300	To be agreed upon separately	To be agreed upon separately
<b>Immunization and Lethality</b>		To be agreed upon separately	To be agreed upon separately
Vaccine for the prevention of hepatitis A for adults, dose	68 000	To be agreed upon separately	To be agreed upon separately
Vaccine for the prevention of hepatitis A for children, dose	30 000	To be agreed upon separately	To be agreed upon separately
Vaccine for the prevention of hepatitis B for adults, dose	215 000	To be agreed upon separately	To be agreed upon separately
Rabies vaccine, dose	100 000	To be agreed upon separately	To be agreed upon separately
Vaccine for the prevention of tick-borne encephalitis, dose	6 780	To be agreed upon separately	To be agreed upon separately
Artesunate, mg	2 160	To be agreed upon separately	To be agreed upon separately
Artimetrlumefantrine, tab	2 880	To be agreed upon separately	To be agreed upon separately
Botulinum antitoxin heptavalent (A, B, C, D, E, F, G), fl	250	To be agreed upon separately	To be agreed upon separately
HPV vaccine, dose	20 000	To be agreed upon separately	To be agreed upon separately
Influenza vaccine for the 2024/2025 episeason, dose	200 000	To be agreed upon separately	To be agreed upon separately
<b>Equipment and consumables for the treatment of burns (Обладнання та витратні матеріали для лікування опіків)</b>		To be agreed upon separately	To be agreed upon separately
Dermatom Blade	9 000	To be agreed upon separately	To be agreed upon separately
Right Handed Watson Skin Graft Knife	50	To be agreed upon separately	To be agreed upon separately
Watson skin graft blades	2 800	To be agreed upon separately	To be agreed upon separately
Goulian Skin Graft Knife	50	To be agreed upon separately	To be agreed upon separately

Pilling Weck Prep Blade	2 500	To be agreed upon separately	To be agreed upon separately
Perforators of skin grafts	50	To be agreed upon separately	To be agreed upon separately
Laser Doppler visualizer of affected tissues	25	To be agreed upon separately	To be agreed upon separately
Hydrosurgery System	10	To be agreed upon separately	To be agreed upon separately
Electrosurgical unit	10	To be agreed upon separately	To be agreed upon separately
Medical vacuum cleaner/aspirator	70	To be agreed upon separately	To be agreed upon separately
Syringe dispensers (one- and two-channel)/infusomat	100	To be agreed upon separately	To be agreed upon separately
System for warming the patient	70	To be agreed upon separately	To be agreed upon separately
Multifunctional beds with active mattresses for the treatment of burn	100	To be agreed upon separately	To be agreed upon separately
System for heating infusion solutions	100	To be agreed upon separately	To be agreed upon separately
Zona standard surgical scissors, length 14.5 cm, (tungsten carbide insert), blunt, curved	1 400	To be agreed upon separately	To be agreed upon separately
Tweezers surgical straight, 1x2 teeth, 15 cm, Semken	800	To be agreed upon separately	To be agreed upon separately
Tweezers De Bakey, with atraumatic cutting	25	To be agreed upon separately	To be agreed upon separately
Tweezers anatomical	400	To be agreed upon separately	To be agreed upon separately
Needle holder, 15 cm	200	To be agreed upon separately	To be agreed upon separately
Microsurgical forceps, 12 cm, Adson-Brown	25	To be agreed upon separately	To be agreed upon separately
Microsurgical forceps, 1x2 teeth, 12 cm, Adson	35	To be agreed upon separately	To be agreed upon separately
Microsurgical needle holder	25	To be agreed upon separately	To be agreed upon separately
Microsurgical scissors	20	To be agreed upon separately	To be agreed upon separately
Clamp (clip, terminal) type micro bulldog	30	To be agreed upon separately	To be agreed upon separately

Microdissector	20	To be agreed upon separately	To be agreed upon separately
Wound dilator	20	To be agreed upon separately	To be agreed upon separately
Medical electric saw	10	To be agreed upon separately	To be agreed upon separately
Band with silver 20X20	9 000	To be agreed upon separately	To be agreed upon separately
Roll With Normal Loading Gel 15Cm X 2M	10 000	To be agreed upon separately	To be agreed upon separately
Skin substitute (Wound and burn dressing)	6 000	To be agreed upon separately	To be agreed upon separately
Biodegradable Temporizing Matrix	2 500	To be agreed upon separately	To be agreed upon separately
Triple Antibiotic Ointment (bacitracin) tube	8 000	To be agreed upon separately	To be agreed upon separately
Petrolatum Dressing 4x4	10 000	To be agreed upon separately	To be agreed upon separately
Albumin 20% 100 ml	8 000	To be agreed upon separately	To be agreed upon separately
Betadine 10% Ointment (Povidone Iodine 10%) tube	2 500	To be agreed upon separately	To be agreed upon separately
Microsurgical instrument sets	30	To be agreed upon separately	To be agreed upon separately
<b>Anesthesiology and surgery equipment and consumables (Анестезіологія та хірургічне обладнання та витратні матеріали)</b>		To be agreed upon separately	To be agreed upon separately
Plasma thawing device	50	To be agreed upon separately	To be agreed upon separately
Binocular magnifier	50	To be agreed upon separately	To be agreed upon separately
Central venous catheterization kit 3.0 Fr	1 000	To be agreed upon separately	To be agreed upon separately
Central venous catheterization kit 6.0 Fr	2 000	To be agreed upon separately	To be agreed upon separately
Reinforced endotracheal tube 8.0	900	To be agreed upon separately	To be agreed upon separately
Surgical stapler	7 000	To be agreed upon separately	To be agreed upon separately
Pump for enteral nutrition	50	To be agreed upon separately	To be agreed upon separately
<b>Electrosurgery equipment (Електрохірургічне обладнання)</b>		To be agreed upon separately	To be agreed upon separately
Electro-surgical coagulator	50	To be agreed upon separately	To be agreed upon separately

Coagulator knives	100	To be agreed upon separately	To be agreed upon separately
Bipolar coagulation forceps	100	To be agreed upon separately	To be agreed upon separately
<b>Medical devices and consumables for neurosurgery centers (Медичні пристрої та витратні матеріали для нейрохірургічних центрів)</b>		To be agreed upon separately	To be agreed upon separately
Electrical stimulation system for restoring the conductive function of the spinal cord and peripheral	40	To be agreed upon separately	To be agreed upon separately
Cerebrospinal fluid drainage system	200	To be agreed upon separately	To be agreed upon separately
Titanium implants for cranioplasty	200	To be agreed upon separately	To be agreed upon separately
Transpedicular fixation system	500	To be agreed upon separately	To be agreed upon separately
Cervical spine cages, all sizes	300	To be agreed upon separately	To be agreed upon separately
Thoracic spine cage, all sizes	300	To be agreed upon separately	To be agreed upon separately
Lumbar spine cage, all sizes	300	To be agreed upon separately	To be agreed upon separately
<b>Medical transport (Медичний транспорт)</b>		To be agreed upon separately	To be agreed upon separately
Ambulance vehicle	200	To be agreed upon separately	To be agreed upon separately
Armored all-wheel sanitary car	125	To be agreed upon separately	To be agreed upon separately
Transport for stable patients (minibus)	25	To be agreed upon separately	To be agreed upon separately
Transport for out-patient visits of doctors	100	To be agreed upon separately	To be agreed upon separately
<b>Alternative power sources (generators) Альтернативні джерела живлення(генератори)</b>		To be agreed upon separately	To be agreed upon separately
power up to 5 kW	553	To be agreed upon separately	To be agreed upon separately
power 5-9 kW	927	To be agreed upon separately	To be agreed upon separately
power 10-19 kW	462	To be agreed upon separately	To be agreed upon separately
power 20-49 kW	367	To be agreed upon separately	To be agreed upon separately
power 50-69 kW	118	To be agreed upon separately	To be agreed upon separately
power 70-99 kW	51	To be agreed upon separately	To be agreed upon separately
power 100-149 kW	110	To be agreed upon separately	To be agreed upon separately
power 150-300 kW	86	To be agreed upon separately	To be agreed upon separately

power, more than 300 kW	32	To be agreed upon separately	To be agreed upon separately
-------------------------	----	------------------------------	------------------------------
